

STOP WORKPLACE BULLYING

Bullying isn't part of the job

Bullying is more than just unfriendly or rude behavior, none of which is appropriate at work. Bullies threaten, intimidate or humiliate others by repeatedly:

- Spreading rumors or gossip;
- Singling someone out for constant unfounded criticism;
- Yelling, swearing, or using insults;
- Undermining others' work performance;
- Pestering or harassing; or
- Giving wrong information on purpose.

A bully can be anyone you work with including a supervisor, coworker, customer, or even a vendor.

Report bullying incidents to a supervisor, Human Resources, Legal, Compliance, or the Hotline.
