SPEAK UP!

Speaking up isn't always easy, but it can help address potentially harmful behavior.

Retaliation for raising concerns is *not* okay

Raising concerns can include:

- Raising or reporting an issue;
- Participating in an investigation;
- Refusing to participate in an activity you know or suspect to be improper or wrong.

If you feel you are subject to retaliation, or you suspect or know about improper conduct, speak up!

How can you speak up.
