

# THE HAZARDS OF LONG HAIR, LOOSE CLOTHING AND JEWELRY IN THE WORKPLACE

Long hair, loose clothing or jewelry may be dangerous because they can get caught in machinery or other objects, causing injuries.

You can help prevent these hazards in the workplace:

Choose clothing that fits properly and tuck in your clothing.

Avoid wearing multiple layers or baggy clothing

Tie back long hair

Remove loose or exposed jewelry

Do not wear clothing with big tears or holes

Avoid wearing hooded sweatshirts with strings

Together, let's do our part to keep each other safe
